

Curriculum Vitae Lucka Kajfez Bogataj

Current positions:

- Professor of Meteorology and climatology at Biotechnical Faculty and at Faculty of Mathematics and Physics, University of Ljubljana, Slovenia
- Head of Centre for Agrometeorology at University of Ljubljana

Education:

- B.Sc. Physics, University of Ljubljana, 1980
- M.Sc. Biometeorology, University of Ljubljana, 1989
- Ph.D. Biometeorology, University of Ljubljana, 1992

Relevant Professional Affiliations:

- 1992–2009 Editorial Board Member of "Agricultural and Forest Meteorology"
- 2000–2005 Chairman of WG2 for EC-COST719 Action on Agrometeorological models
- 2002–2008 Member of IPCC Bureau: Vice-Chair of Working Group II, Geneva and Co-chair of IPCC Outreach task group
- 2006–2012 Member of GCOS (Global climate observation system) Steering Committee at WMO acting as a link between GCOS and IPCC
- 2006–2010 Chairman of WG3 for EC-COST 719 Project Impacts of Climate Change and Variability on European Agriculture
- 2008–2009 Member of International Organizing Committee (WIOC) contributing to the organization of WCC-3.
- 2009–2014 Review editor of IPCC AR5, Working Group II, Geneva
- 2012–2015 Member of GWP (Global Water Partnership) Steering Committee

Ambitions/intended input/output from participating in the project:

- Ambition is to help EU workers to adapt to climate change induced thermal strain in innovative ways
- I look forward to help communities and stakeholders across EU to educate themselves about the risks from extreme heat and learn how to protect their residents/employees
- Ambition is to expand and improve outreach systems and to address the interaction of heat waves and other existing environmental problems (like air quality problems in major urban areas, water shortages etc.)
- Input concerns climate change expertise in particular on adaptation and communication
